Discovery HSE: comfort in the extremes.

No matter where you find yourself, in the Discovery HSE you'll find yourself in luxury. Now with even more refined styling and greater ride comfort, the Discovery HSE is the result of tireless development from Land Rover since the first Discovery caught the world's attention more than a decade ago.

The multi-purpose technologies, such as the Advanced Cornering Enhancement system and enhanced braking system, that make Discovery so good off-road, make it so easy to drive around town. Inside, the new HSE offers even higher levels of luxury with features that include premium leather seats and a dynamic 11-speaker Harman/Kardon stereo DVD player.

In the 2003 Discovery HSE, you'll find comfort no matter where the road takes you. See it at mydiscovery.com.au
